If carriage is performed pursuant to a charter agreement, these Conditions apply only to the extent they are incorporated by reference to the terms of the charter agreement and the charter ticket.

2.3 Codeshares

On some services we may have arrangements with other carriers known as "Codeshares". This means that even if you have a reservation with us and hold a Ticket where our name or Airline Designator Code is indicated as the Carrier, another Carrier may operate the aircraft. If such arrangements apply we will advise you of the carrier operating the aircraft at the time you make a reservation.

2.4 Overriding Law

- (a) The Ticket you have purchased is valid only for the transportation shown on the Ticket from the place of departure via any Agreed Stopping Places to the final destination. The fare you have paid is based on our Tariff and is calculated on the basis of the entire journey shown on the Ticket. It forms an essential part of our contract with you. We will honour Flight Coupons and carriage with us only in sequence from the original place of departure to the place of destination as shown on the Ticket. The Ticket may not be valid and we may not honour the Passenger's Ticket if the Flight Coupon for travel has not been used and the Passenger commences his or her journey at any Stopover or Agreed Stopping Place.
- (b) Should you wish to change any aspect of your transportation, you must contact us in advance. The fare for your new transportation will be calculated and you will be given the option of accepting the new price on maintaining your original transportation as ticketed. - (c) Should you change your transportation without our agreement, we will assess the reasonable price for your actual travel. You will be required to pay any difference between the price you have paid and the total price applicable to your revised transportation. We will refund you the difference if the new price is lower but otherwise, your unused Coupons have no value.

- (d) Please be aware that while some types of changes will not result in a change of fare, others, such as changing the place of departure (for example, if you do not fly the first segment) or reversing the direction you travel, can result in an increase in price. Many fares are valid only on the dates and for the Flights shown on the Ticket and may not be changed at all, or only upon payment of an additional fee.
- (e) Each Flight Coupon contained in your Ticket will be accepted for carriage in the class of service specified therein on the date and flight for which accommodation has been reserved. When a Ticket is issued without a reservation being specified thereon, space will be reserved on application subject to the conditions of the relevant fare and the availability of space on the flight applied for.
- (f) Please be advised that in the event you do not show up for any Flight without advising us in advance, we may cancel your return or onward reservations. However, if you advise us in advance, we will not cancel your subsequent Flight reservations.
- (g) The Passenger coupon and all unused Flight Coupons not previously surrendered to us shall be retained by you throughout your journey and shall be produced and the applicable Flight Coupons surrendered to us at our request.

3.8 Name and Address of Carrier

Our name may be abbreviated to our Airline Designator Code, or otherwise in the Ticket. Our address shall be deemed to be the city or the airport of departure shown opposite the first abbreviation of our name in the "Carrier" box in the Ticket or in the case of an Electronic Ticket, as indicated for our first Flight segment in the Itinerary Receipt.

ARTICLE 4: STOPOVERS AND AGREED STOPPING PLACES

4.1 When Stopovers Permitted

Stopovers may be permitted at Agreed Stopping Places subject to Government requirements and our regulations. Additional charges may be payable.

4.2 Advance Arrangements Required

Stopovers will be permitted only if arranged with us in advance and provided for in the Ticket.

4.3 Agreed Stopping Places

For the purposes of the Convention and of these Conditions the Agreed Stopping Places (which may be altered by Carrier in accordance with Article 11) are those places, except the place of departure and the place of destination,

set forth in the Ticket or as shown in Carrier's timetables as scheduled stopping places on the Passenger's route.

ARTICLE 5: FARES, TAXES, FEES, CHARGES AND ROUTINGS

5.1 General

Fares apply only for carriage from the airport at the point of origin to the airport at the point of destination. Fares do not include land (road, rail and maritime) transport service between airports and between airports and town terminals, unless our regulations provide that such ground transport will be furnished without additional charge. Your fare will be calculated in accordance with our Tariff in effect on the date of payment of your ticket for travel on the specific dates and itinerary shown on it. Should you change your itinerary or dates of travel, this may change the fare to be paid.

5.2 Applicable Fares

Applicable fares for carriage governed by these Conditions are those published by or on behalf of Carrier, or if not so published, constructed in accordance with Carrier's Regulations. Subject to government requirements and our regulations, the applicable fare is the fare for the flight or flights in effect on the date of commencement of the carriage covered by the first Flight Coupon of the Ticket. When the amount that has been collected is not the applicable fare the difference shall be paid by you, or, as the case may be, refunded by us, in accordance with our regulations. When the amount paid is not relevant to the Reservation Booking Designator of the ticket, the difference of the applicable fare shall be paid by you.

5.3 Priority of Fares

Unless otherwise provided in our regulations, a published fare takes priority over the combination of intermediate fares applicable to the same class of service between the same points via the same routing.

5.4 Routing

Unless otherwise provided in our regulations, fares apply in either direction and only to routings published in connection therewith. If there is more than one routing at the same fare, the passenger prior to issue of the ticket, may specify the routing; if no routing is specified, we may determine the routing.

5.5 Charges, Surcharges, Fees and Taxes

5.5.1 Applicable charges, fees and taxes not included in the fare that are imposed on us or on you, collected by us on behalf of governments or other authorities, or by airport operators, shall be payable by you. At the time you purchase your Ticket, you will be advised of charges, fees and taxes not included in the fare,

most of which will normally be shown separately on the Ticket. The charges, fees and taxes imposed on air travel are constantly subject to change and can be imposed after the date of Ticket issuance. If there is an increase in the charge, fee or tax shown on the Ticket, you will be obliged to pay it. Likewise, if a new charge, fee or tax is imposed after Ticket issuance, you will be obliged to pay it. In the event any charges, fees or taxes which you have paid to us at the time of Ticket issuance are abolished or reduced such that they no longer apply to you, a lesser amount is due, or you cancel your Ticket, you will be entitled to, subject to applicable laws, claim a partial or full refund of unused charges, fees and/or taxes (as the case may be) without being subject to any administration fees.

- 5.5.2 Certain additional charges, surcharges or fees imposed by us or by another Carrier shall also be payable by you. Such charges, surcharges or fees will normally be incurred at the time you purchase your Ticket and may be refunded at our absolute discretion or in accordance with any applicable rules or policies that we may have published and, in either case, subject to the payment of any administrative fees as we may determine from time to time as applicable to such refund. As such charges, surcharges or fees are subject to change, we reserve the right, except as limited by applicable law, to require you to pay new charges, surcharges or fees (or increases to existing ones) at any time up until the flight to which the relevant charges, surcharges or fees may apply has been fully performed.

5.6 Currency

Fares, taxes, fees and charges are payable in the currency of the country in which the Ticket is issued, unless another currency is indicated by us or our Authorised Agents, at or before the time payment is made (for example, because of the non-convertibility of the local currency). We may, at our discretion, accept payment in another currency.

5.7 Payment of Fares and Charges

We shall not be obliged to carry, and may refuse onward carriage of you or your baggage, if the applicable fare or any charges or taxes payable have not been paid, or if credit arrangements agreed between us and you (or the person paying for the ticket) have not been complied with. If we refuse to carry you or your baggage in accordance with the provisions of this paragraph, our sole liability shall be to refund any amount that may be payable under Article 12.3 of these Conditions.

5.8 Fare Calculation

Fare shall be construed in accordance with the applicable IATA fare construction rules and subject to Carrier(s)' regulations and/or government(s)' requirements.

ARTICLE 6: CHANGES TO TICKET OR SCHEDULES, MISSED CONNECTIONS

6.1 Changes Requested by Passenger

Any request to effect changes to your Ticket will be subject to our regulations

6.2 Cancellation, Changes of Schedules, etc.

If due to circumstances beyond our control we cancel a flight, or fail/delay to operate a Flight reasonably according to schedules, or substitute a different type of equipment or different class of service, or are unable to provide previously confirmed space, or we cause you to miss a connecting flight on which you hold a reservation, we, with due consideration to your reasonable interests, shall either:

- (a) carry you on another of our scheduled passenger services on which space is available; or
- (b) re-route you to the destination indicated on the ticket or applicable portion thereof by our own scheduled services or the scheduled services of another carrier, or by means of surface transportation. If the sum of the fare, excess baggage charges, and any applicable service charge for the revised routing is higher than the refund value of the ticket or applicable portion thereof as determined under Article 12.3, 12.4 and 12.5, we shall not ask for an additional fare or charge from you, and shall refund the difference if the fare and charges for the revised routing are lower; or
