EXPERT TIPS FOR STAYING WELL
保持身心安泰是時下大家最關注的焦點。添購一個可隨身攜帶的按摩器，無論身處何方，忙碌一天後都可以徹底放鬆。另外，輕便的插電式空氣淨化器能改善周遭的空氣質素，帶來除菌除臭的效果。平日當然還要注重養生，記得每日服用高麗蔘口服液來好好呵護自己。

A CITY BREAK
向異國城市出發

WHAT TO EXPECT: Get ready for sights and sounds and general multi-sensory overload during your urban escape – but in the best ways possible. To maximise your short break, especially if it’s your first time to a city, it’s a good idea to put together an itinerary for what you’d like to do.

WHAT TO DO: Your trip should include a little bit of everything to give you a proper overview of your destination. Art, culture, and landmarks are a must – as is booking a table at the more reputable restaurants in town. Don’t forget to find a pocket of serenity, too, so you can sit back and take it all in.

WHAT TO BRING: A pair of stylish sunglasses to block out UV rays, earbuds to accompany your journey, and a handy refillable bottle so you can stay hydrated during your explorations. And of course, don’t forget a camera grip for those memorable photos.

Visit the Cathay Pacific website for flight details to your favourite city.
