

FLYING TO HONG KONG? COMPLETE FLY READY

To skip the queue and fast-track check-in, complete our FLY READY document pre-verification today

Save time and stress before your flight by uploading your documents required to travel from New Zealand to Hong Kong. Using our **Fly Ready** online verification process we'll verify them ahead of time and let you know if there's any issues – so you can arrive at the airport ready to fly. **Access Fly Ready [here](#).**

We have created the following checklist to help you complete Fly Ready - please submit your documents anytime between 48 hours and 12 hours before your flight departs. These documents will be checked by quarantine officials on arrival in Hong Kong. *Note, you must also have printed or electronic copies to ensure your arrival into Hong Kong is a smooth one.*

Last updated: 7 June 2022

Fly Ready document checklist, please upload the following ahead of travel:

1

Upload a **valid passport** and your **Hong Kong identity card** (if applicable) or **valid visa** (if applicable).

☐

2

Upload a **negative COVID-19 nucleic acid (PCR) test** containing the following:

- Your name on the test report **must match** that in your travel document
- The sample collection **date and time** must be clearly stated. Your sample needs to be taken no more than **48 hours** before the scheduled time of departure of your flight to Hong Kong.

☐

3

Upload a **hotel room reservation confirmation** in a [designated Hong Kong quarantine hotel](#). Your full name must be printed on the confirmation, including **all guest names** in share rooms. Fully vaccinated passengers, as defined by the [Hong Kong Government](#), must complete 7 nights quarantine on arrival and non-fully vaccinated passengers must complete 14 nights on arrival.

☐

4

Upload **proof of your vaccination status**, by presenting a valid COVID-19 Vaccination Certificate e.g. an New Zealand Government -issued International COVID-19 Vaccination Certificate (ICVC) or Hong Kong Government Vaccine Pass.

Please note, it must have been at least 14 days since you were given your final dose in order to be considered "fully vaccinated".

☐

Complete Fly Ready to skip the queues and have a fast-track check-in.
